## RARE PLANT GARDENS

## WHOLESALE LIST SEASON 1952-1953

### MEMORANDUM

It is hardly necessary to mention the word **Quality** in connection with Coolidge stock, as our many good friends who place their orders with us year after year are our best testimony in this respect. You may therefore feel assured that any plants you purchase from us will be up to your full expectations.

TERMS:—60 days

2% for Cash.

Please do not order less than 20 of any one variety in lining out sizes, not less than 10 in one gallon cans, and not less than 5 in five gallon cans. Also please note that it is not profitable for us to ship by Freight or Express any orders totaling less than \$25.00.

Non-Warranty—We give no warranty, expressed or implied, as to the productivity or variety of the plants we sell and we will not in any way be responsible for the crop, or for any delay or any failure in delivery through any and all causes beyond our control. Our liability in all instances is limited to the purchase price of the plants.

This list cancels all previous issues. Prices subject to change without notice.

Packing at actual cost to us.
